

Summit Partners

Al Dominick

Al works closely with C-suite executives and boards of directors from leading banks and fintechs across the U.S., as well as with investment banks, Private Equity firms, and venture capitalists. Formerly the CEO of DirectorCorps, the parent company of Bank Director, the Acquire or Be Acquired conference, and FinXTech, Al co-created the digital series "Looking Ahead" with Nasdaq and currently hosts Cornerstone's "Plugged In," featuring pivotal leadership stories.

Alex Campbell

Alex Campbell, Vice President of Client Services, has been a dedicated COCC employee since 2007 with over 20 years of experience in the financial service industry. Alex was able to develop his skills through various service teams including: ATM deposit processing, item processing customer service, cash management and electronic banking. In his current role, Alex is responsible for a number of electronic banking channels and application platforms including EFT, payments, telephone banking, image technologies and mobile app delivery.

Elise Wofford

As a Senior Account Executive, Elise Wofford has 4 years of experience working directly with Financial Institutions addressing their Accounts Payable needs by offering a fully inclusive Accounts Payable Suite built specifically for financial institutions. Being the financial institution's main point of contact throughout the entire sales process, Elise takes great pride in helping customers achieve their goals by saving teams time and money allowing them to focus on other strategic initiatives and improving their overall accounts payable experience.

Robert Finch

Mr. Finch is the Managing Director of the Performance Management Group (PMG) within the Strategy and Analytics Group of Stifel Fixed Income Capital Markets. The Performance Management Group specializes in providing ERM, capital planning, and strategic planning solutions for depository institutions. Previously in his career, Mr. Finch has been consistently focused on serving the needs of community banks and the community banking sector.

Summit Partners

Carey Ransom

Carey Ransom, Managing Director of BankTech Ventures, heads a \$115M strategic fund that invests in innovative companies that make community banks better. With over 100 banks participating, the firm is led by community bankers and fintech leaders. Carey, a seasoned tech entrepreneur, previously founded Operate to co-create and invest in data-centric SaaS and fintech startups. Prior operating roles include COO at Aspiration, where he grew the firm significantly, and executive leadership positions at Experian, and Happy Money and RealPractice.

Peter Caliguri

Peter is an outstanding leader with over 35 years of experience in corporate and commercial banking. In this capacity, he has delivered broad product capabilities including credit, capital markets, derivatives, cash management, commercial card payments, trade finance and custody/trust services. He has led and managed large credit portfolios associated with the financial institutions sector. He holds a FINRA series 63 and 79 license.

Jake Vacura

Jake Vacura serves as MPI's Head of Bank Partnerships, where he leads strategic initiatives to help banks grow and strengthen their merchant services programs. With a background as a Senior Branch Banker at PNC Bank and three years of proven success managing partner relationships at MPI, Jake brings a deep understanding of community banking, data-driven strategy, and relationship building.
